

Genki English "I'd like a ..." Islands Game

From CD Volume 6 "What would you like for Christmas?"

1. Each place a coin on the start island.
2. One person rolls the dice and moves along that number of islands.
3. If you can say the word on the new island you can stay! If not, you go back to your previous island.
4. The next person then has a turn.
5. The first person to get to the finish is the winner.
