

My name is _____

What does Santa do?

by Richard Graham (vol 14 ☆)

What does Santa do?

What does Santa do?

Every Christmas

Every Christmas

Every Christmas Eve.

He lands on the roof.

He climbs down the chimney.

He fills all the stockings.

Oh, what will he bring me?

He eats all the cookies.

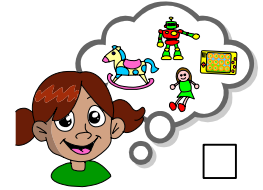

He drinks all the milk.

He feeds all his reindeer.

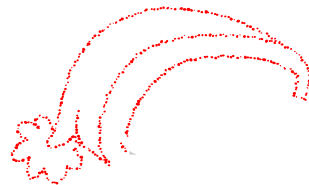

And he flies through the sky!

I can say ...

I can sing

What else does Santa do?
