How did you get here?

I came here by aeroplane.

How did you get here?

I came here by car.

How did you get here?

Genki Town

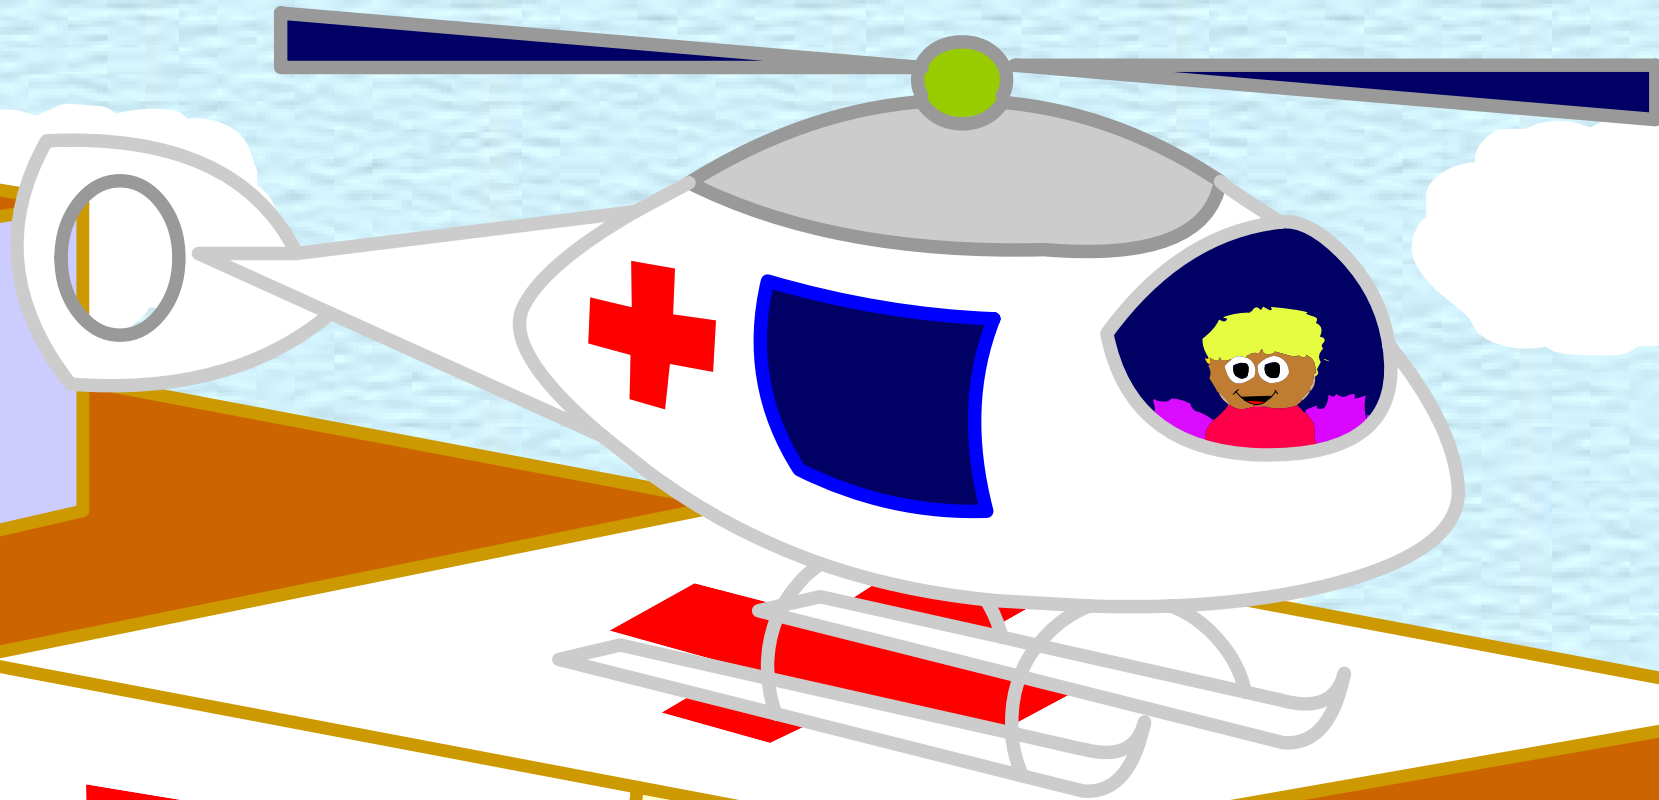

I came here by train.

How did you get here?

I came here by rocket.

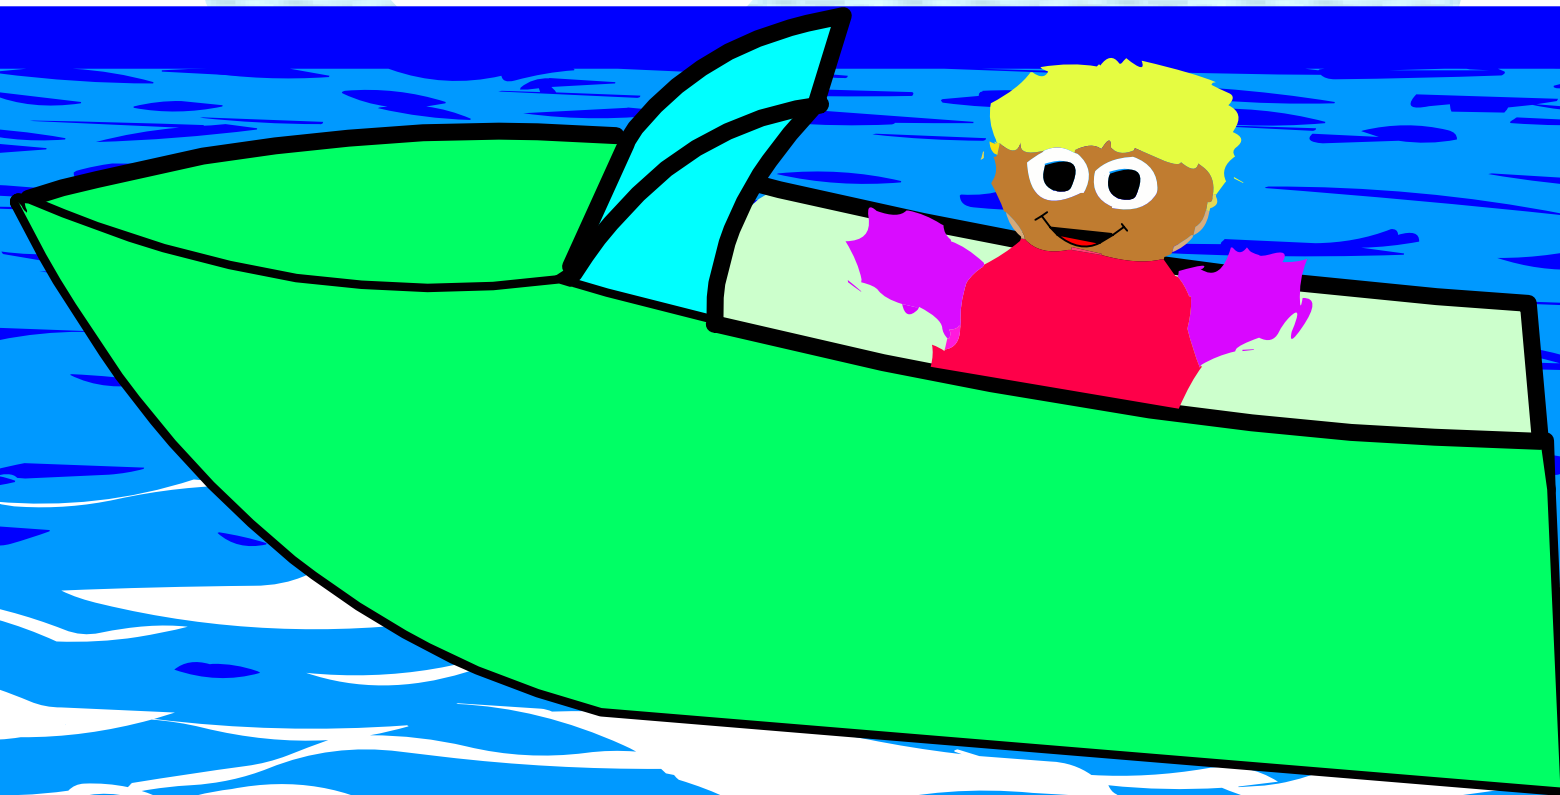

How did you get here?

I came here by helicopter.

How did you get here?

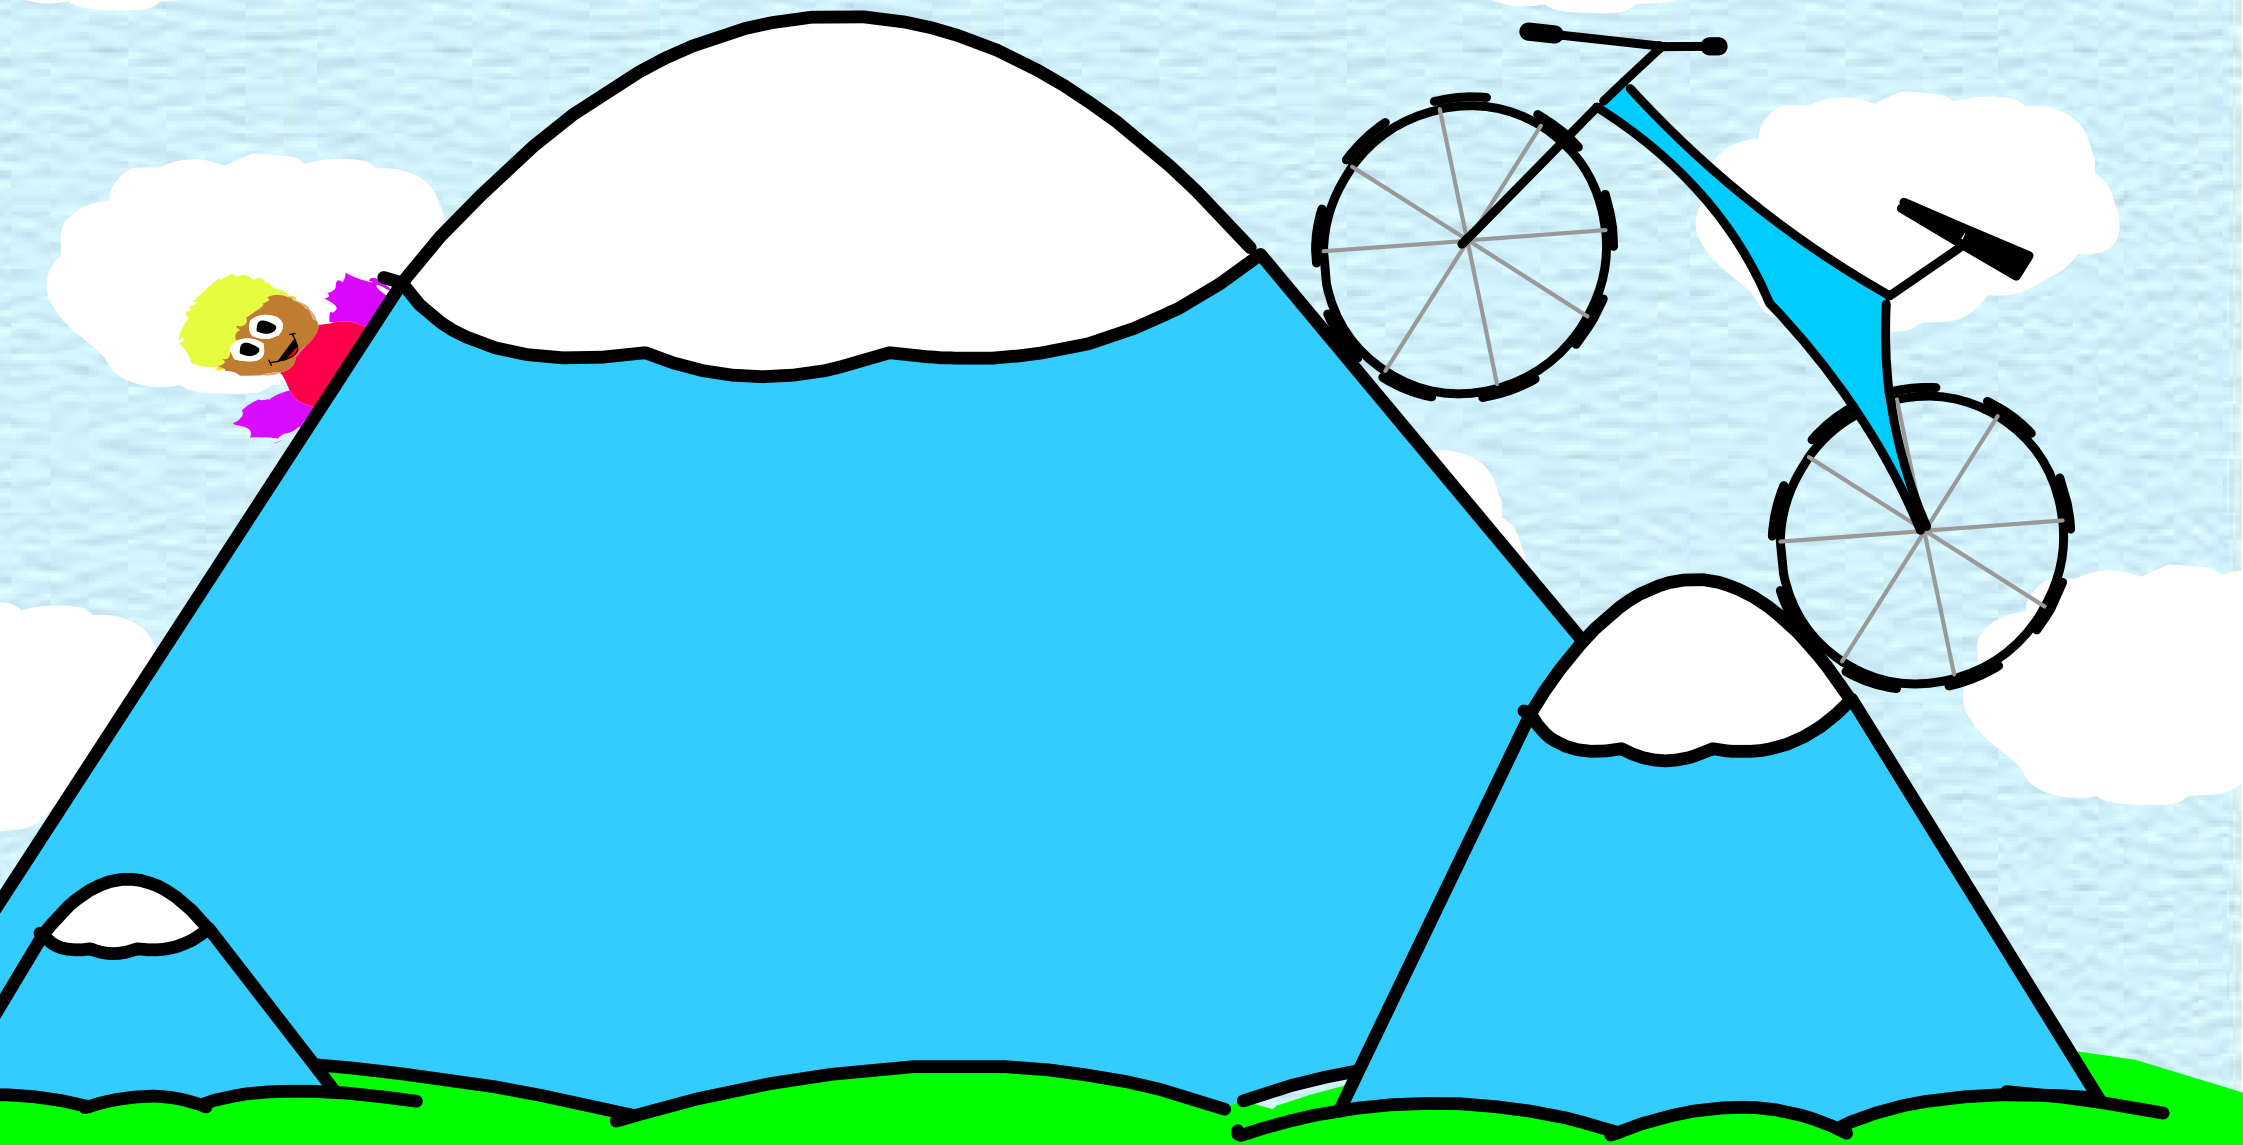

I came here by boat.

How did you get here?

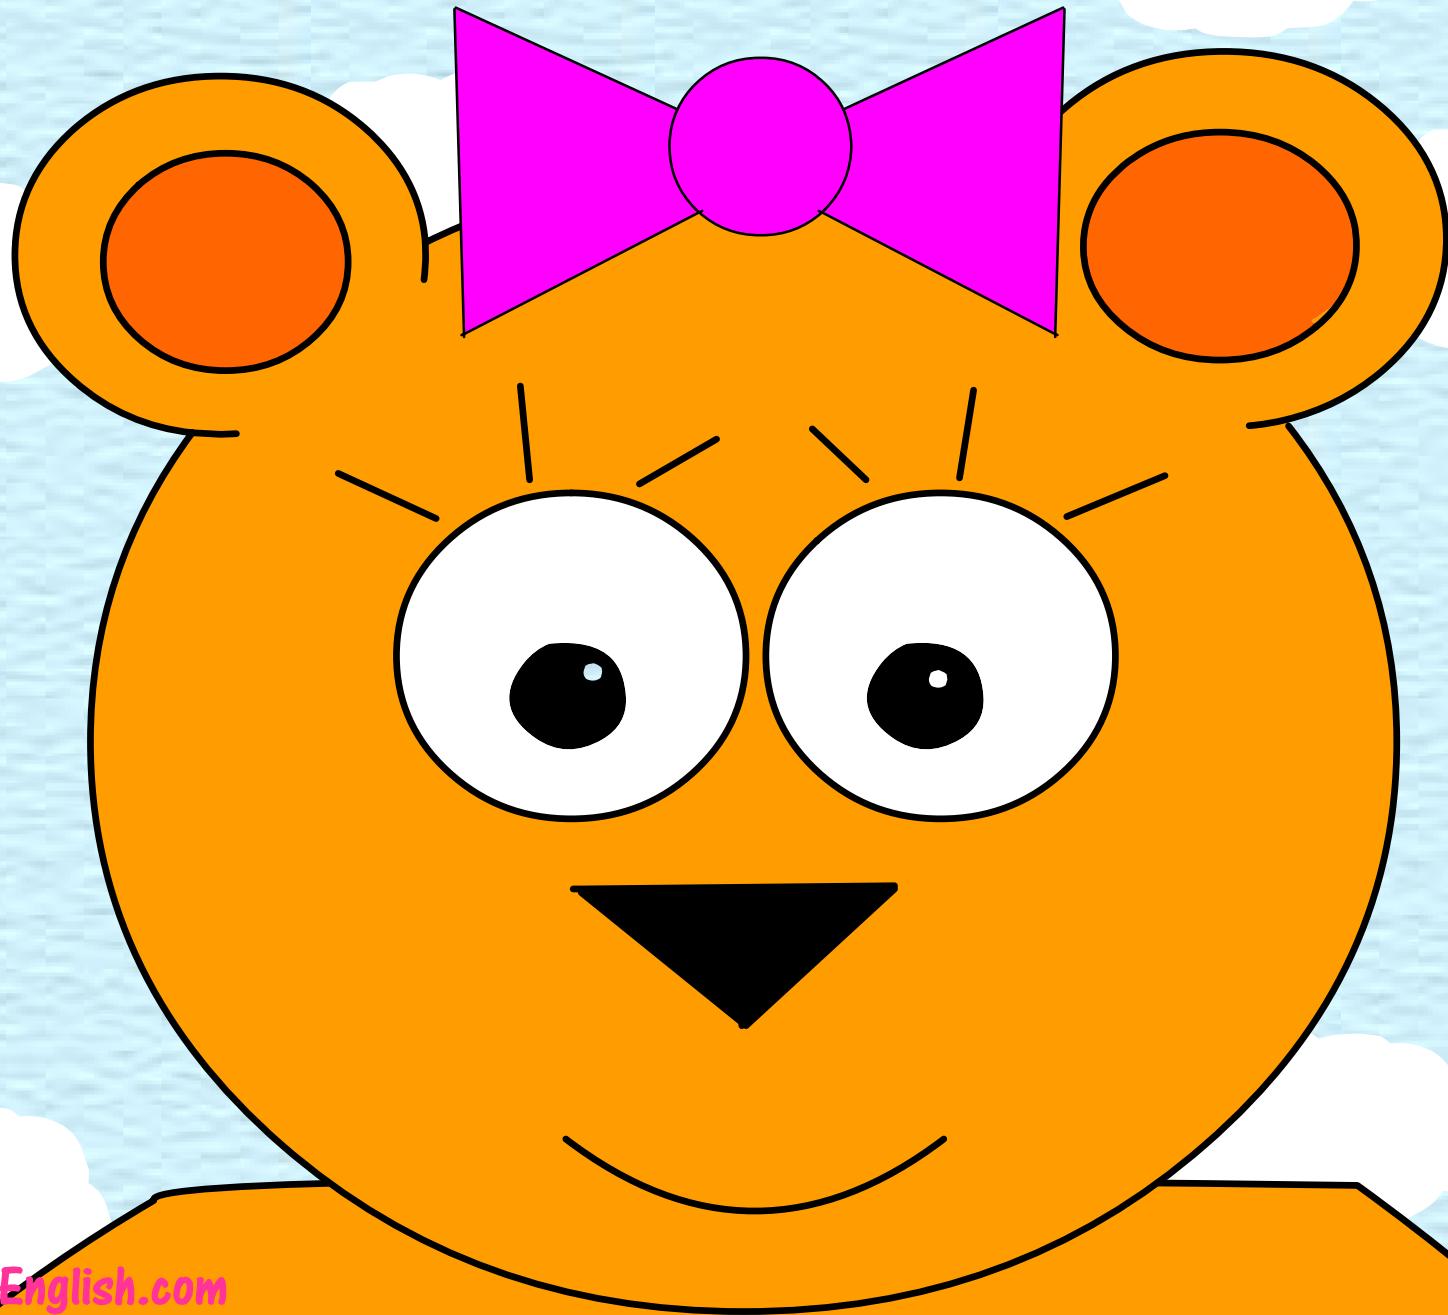

I came here by bus.

How did you get here?

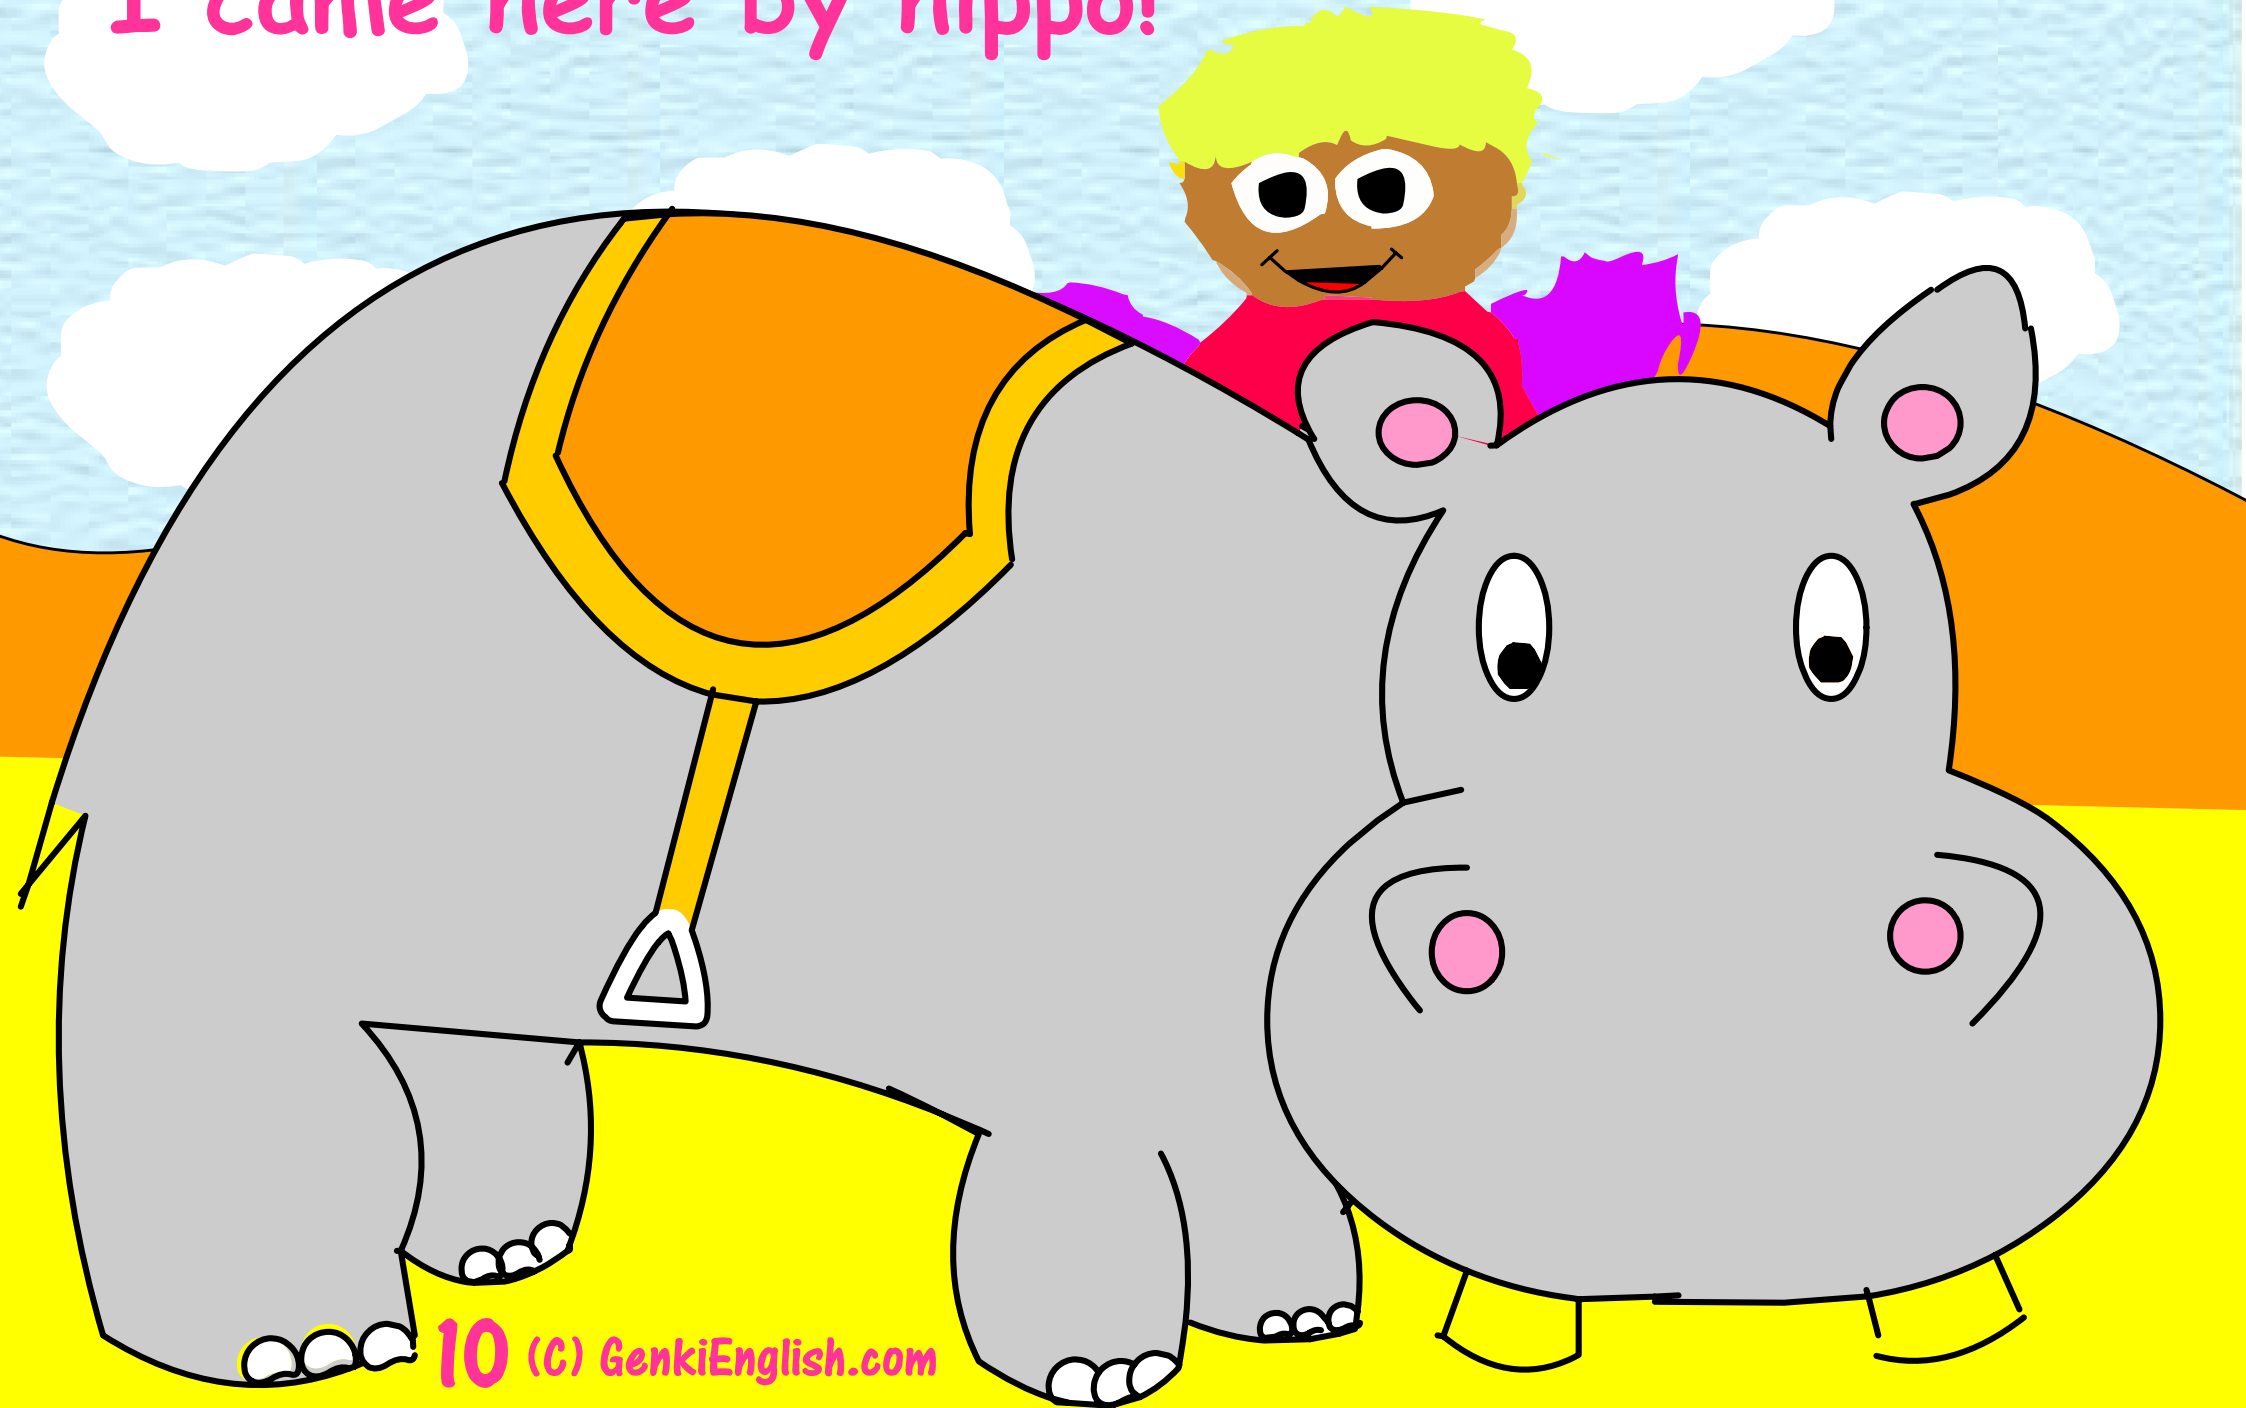

I came here by mountain bike.

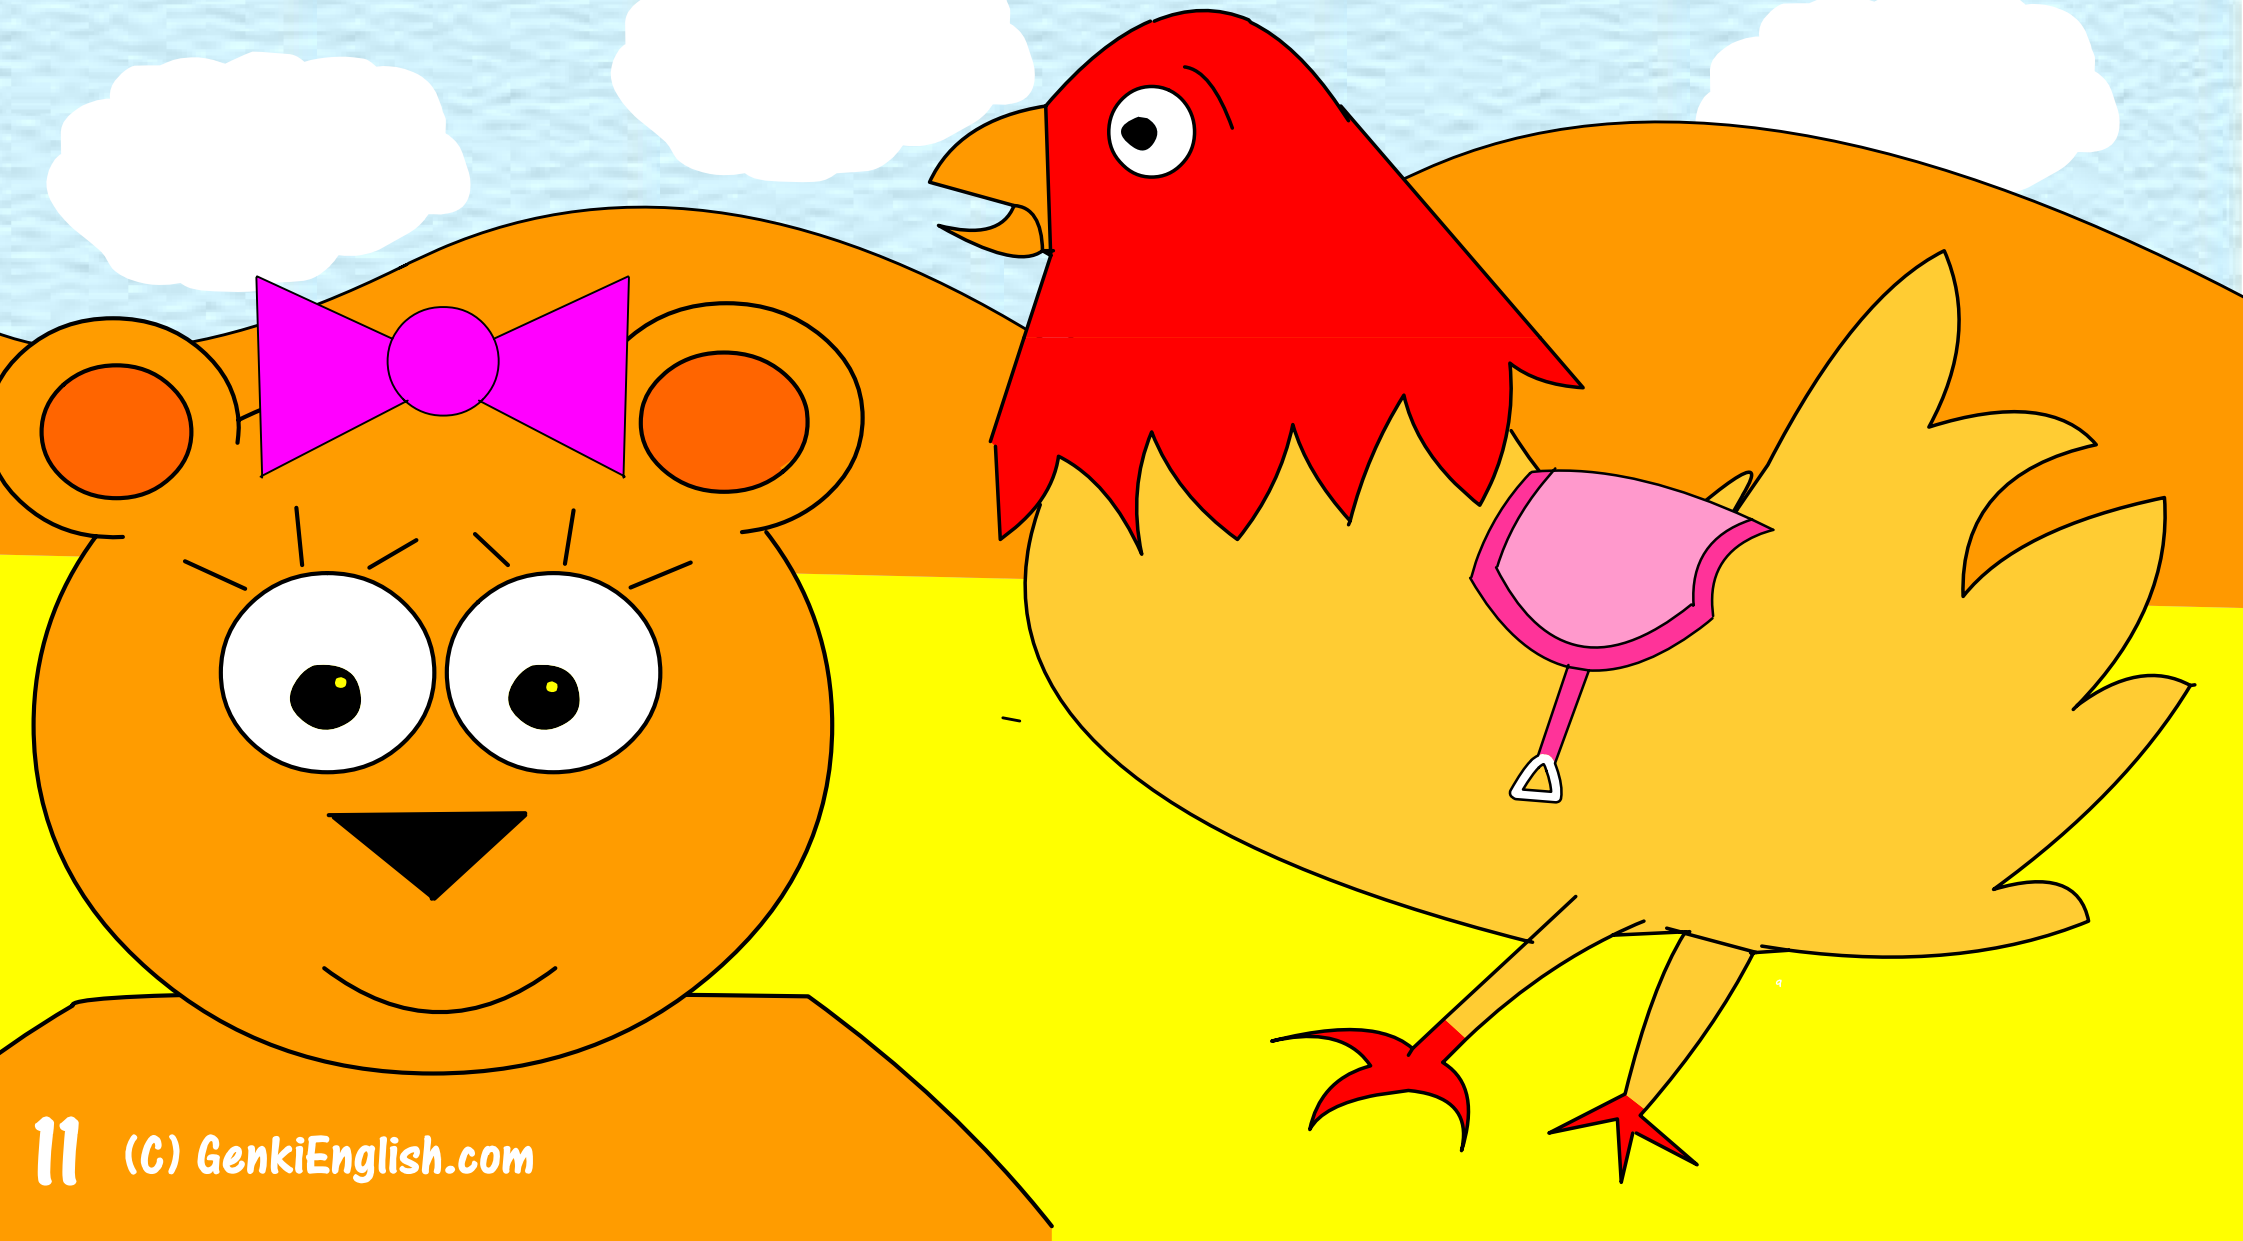

How did you get here?

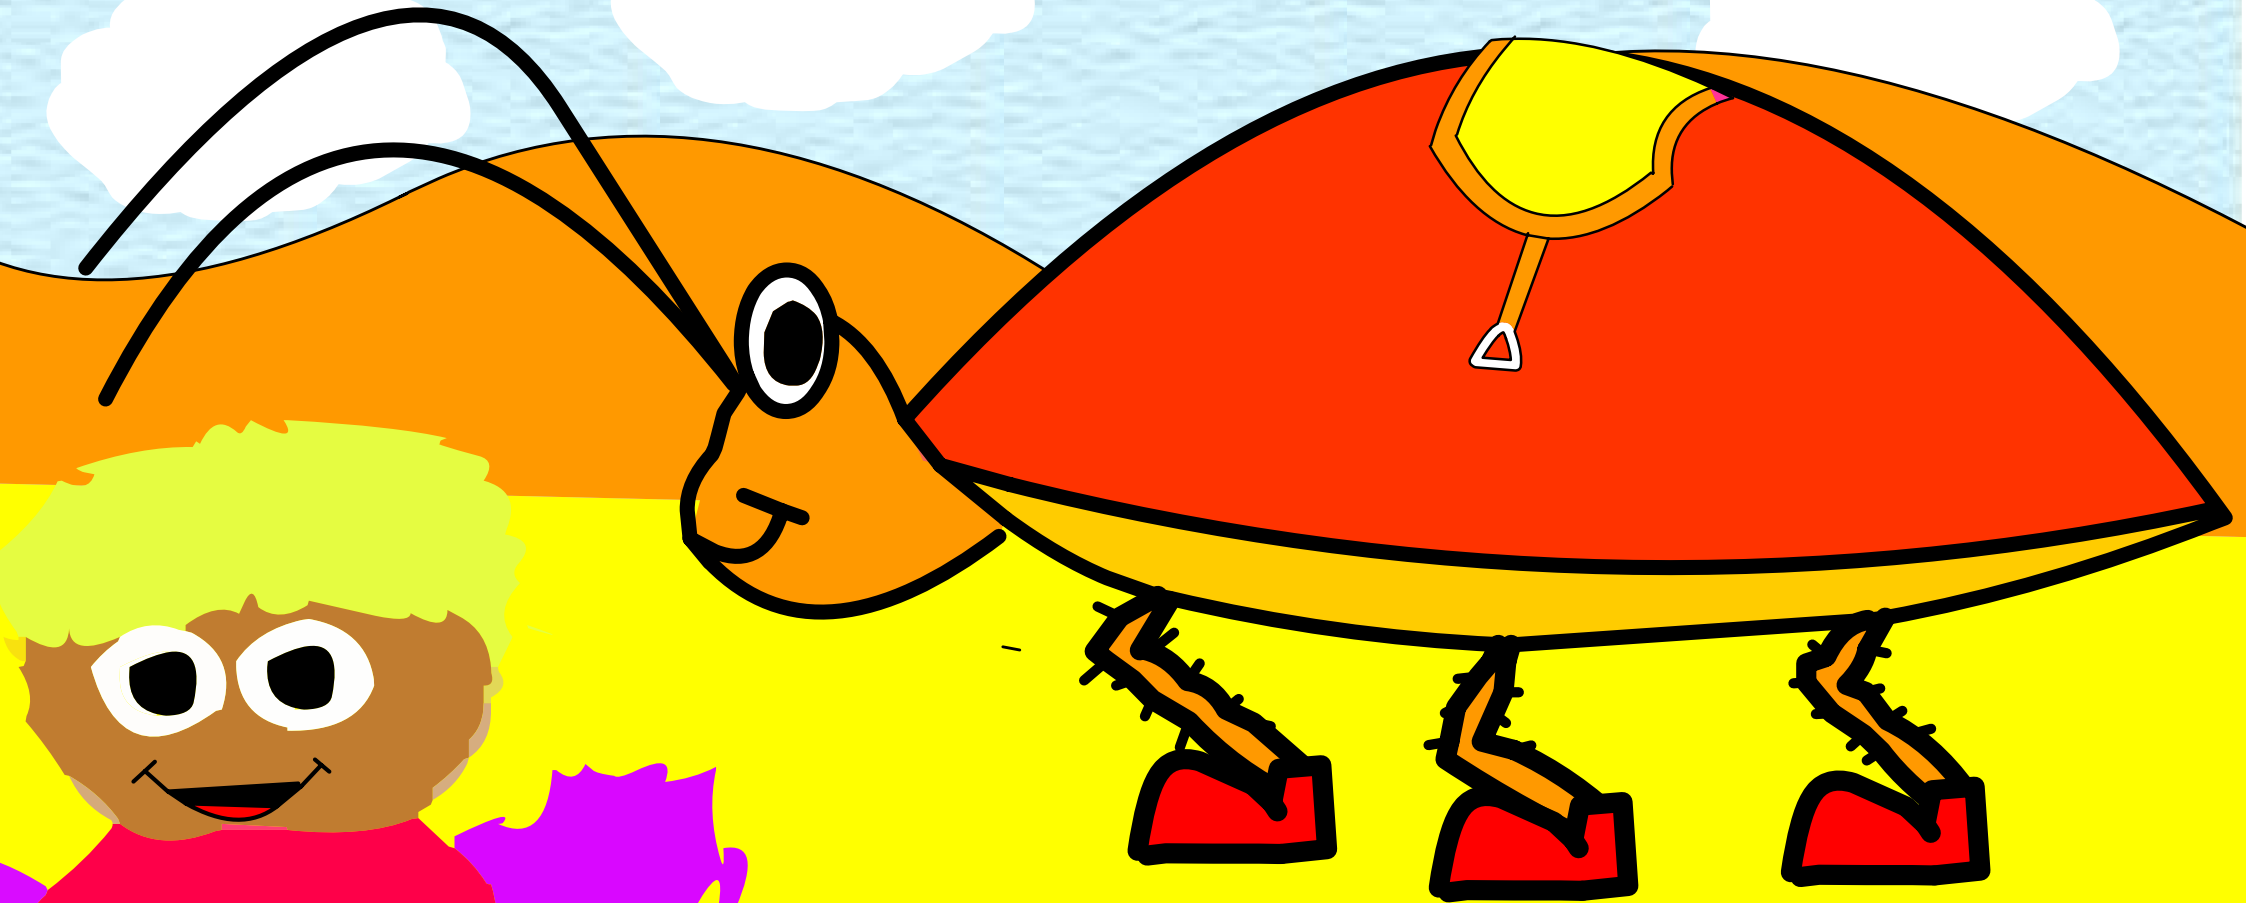

I came here by hippo!

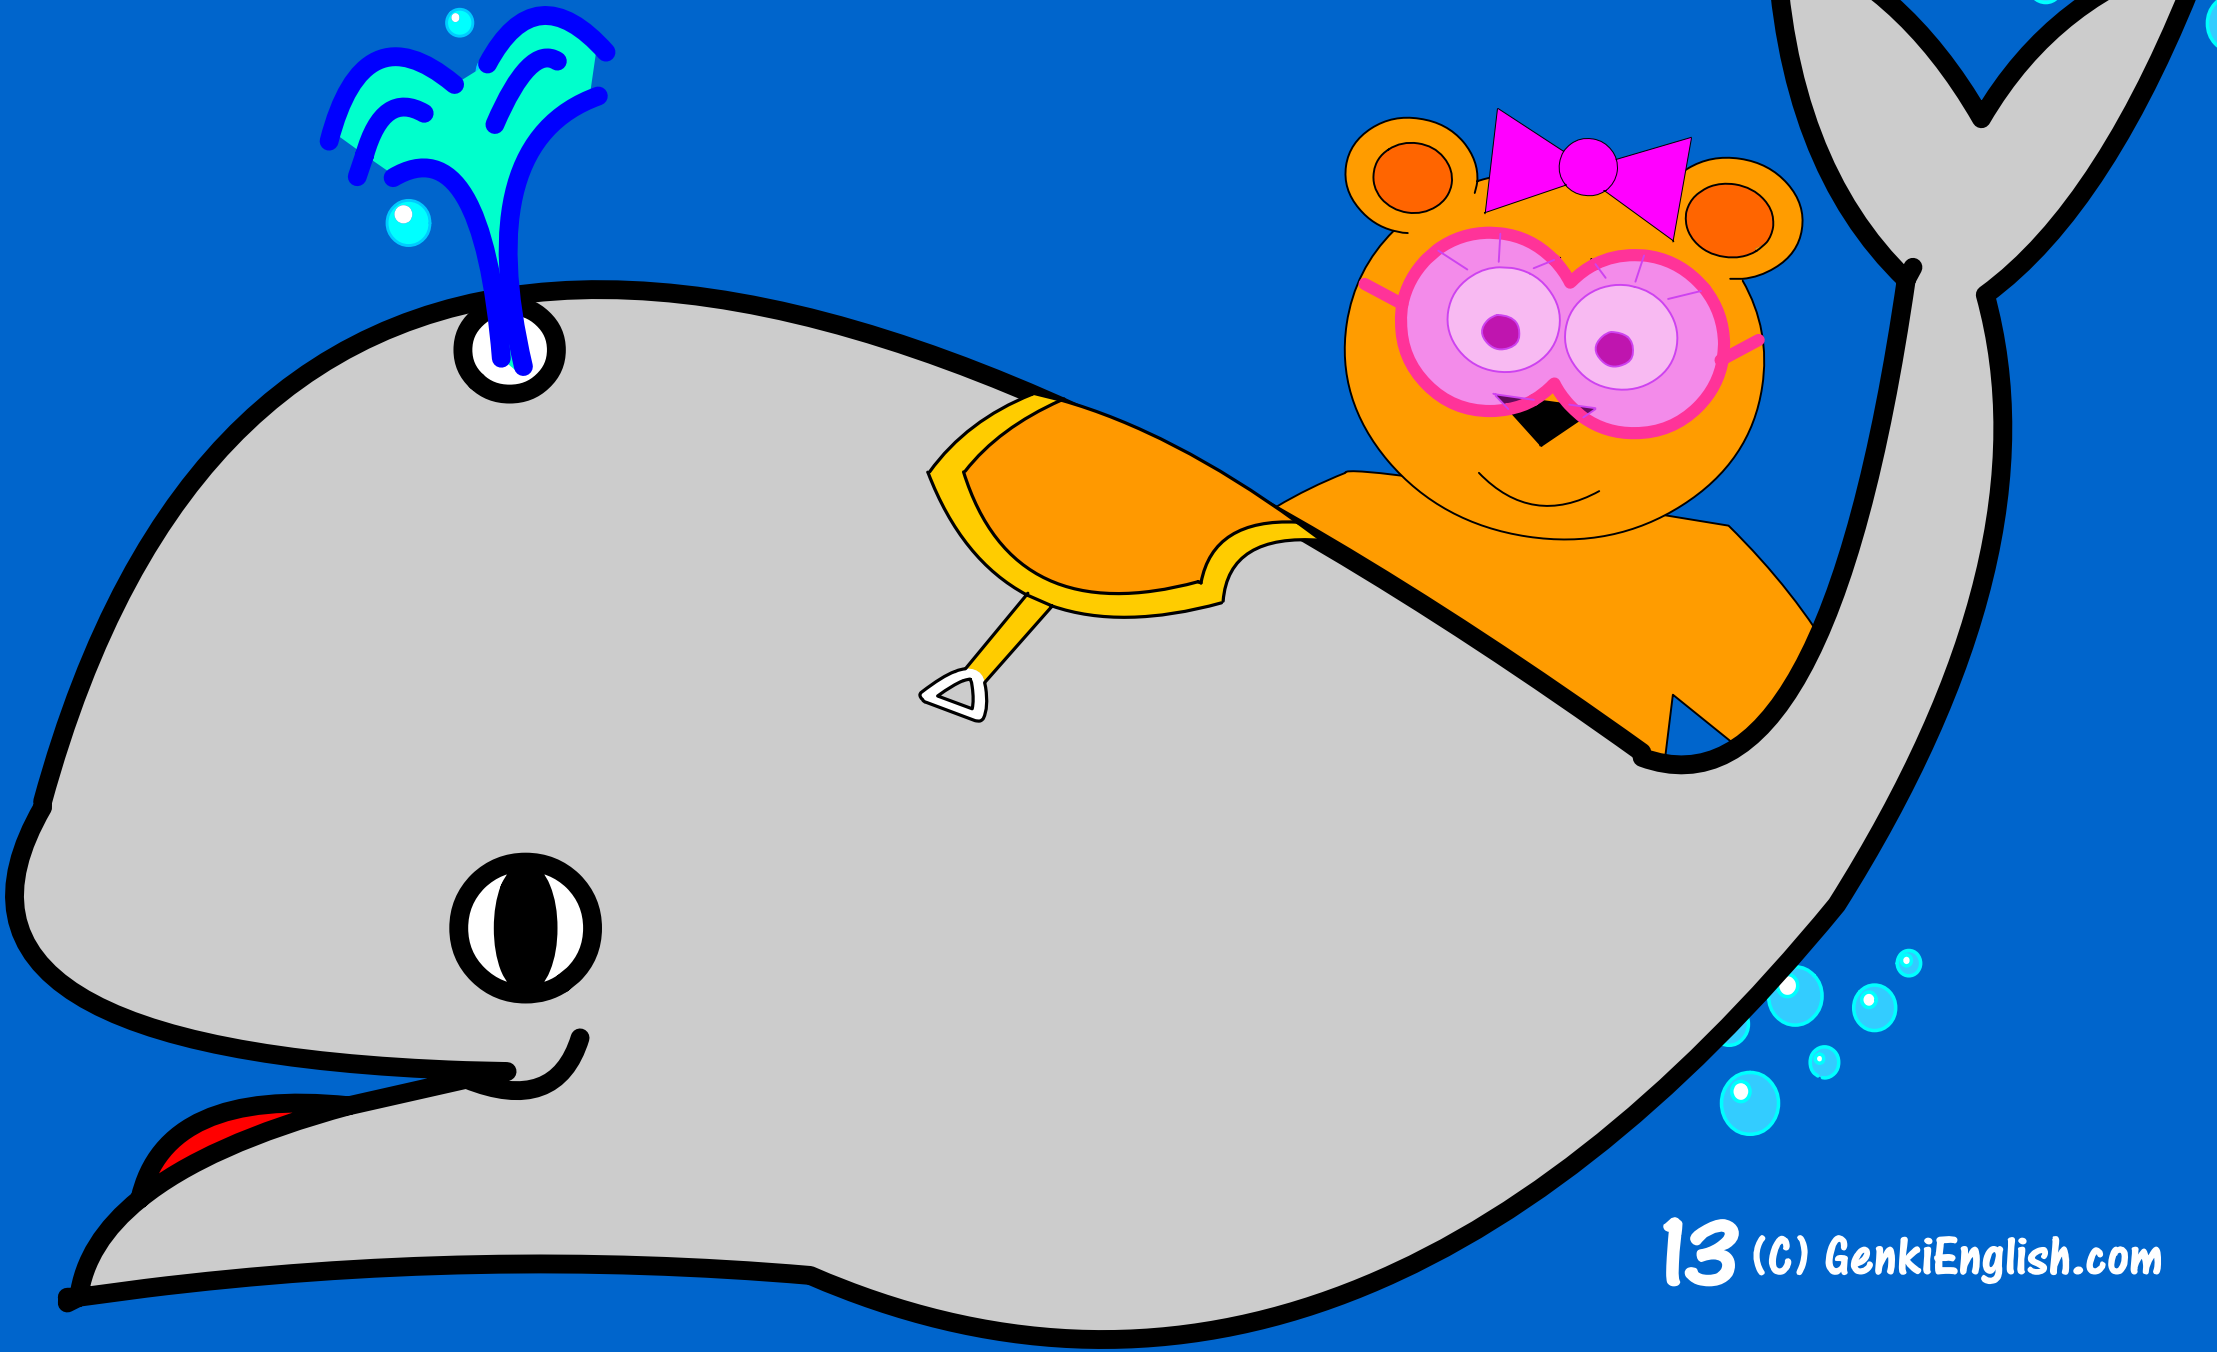

Well, I came here by chicken!

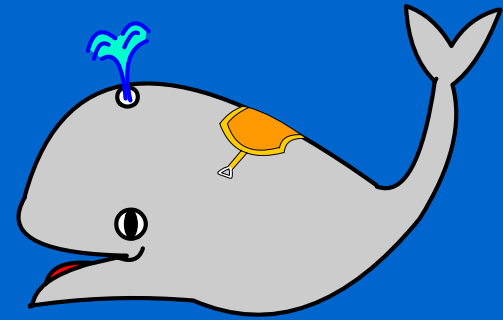

I came here by cockroach!

I came here by whale!
